Limitations can be used when the person has or has not technical education			
N/A	N/A	N/A	N/A
N/A	N/A	N/A	N/A
N/A	N/A	N/A	N/A
N/A	N/A	N/A	N/A
N/A	N/A	N/A	N/A
N/A	N/A	N/A	N/A
N/A	N/A	Developed individual limitations	No privileges to certify maintenance task on systems, components, powerplant, structure or other aircraft elements as identified in the license. This limitations is transferred to included subcategories like A1, A3, A4

Limitations based on aircraft construction / Konstrukcija letalstva
 Generic limitations (According 66.A.70(d)) / Bendrini omejitvi (66.A.70(d))
 Individual limitations / Individualne omejitvi

Limitations can be used when the person has or has not technical education	
Excluding Wooden structure aeroplanes	No privileges to certify maintenance task on wooden structure on Part 66 AMC Appendix 1 Group 3 aeroplanes
Excluding Metal structure aeroplane	No privileges to certify maintenance task on metal structure on Part 66 AMC Appendix 1 Group 3 aeroplanes
Excluding Composite structure aeroplanes	No privileges to certify maintenance task on composite structure on Part 66 AMC Appendix 1 Group 3 aeroplanes
Excluding Aeroplanes with metal tubing structure covered with fabric	No privileges to certify maintenance task on aeroplanes with metal tubing structure covered with fabric on Part 66 AMC Appendix 1 Group 3 aeroplanes
Excluding comercial air transport	No privileges to certify maintenance task on large aircraft used in the comercial air transport. This limitations is transferred to included subcategories like A1, A2, A3, A4
Excluding additional type rating	No privileges to ammend additional aircraft types and any additional category or subcategory for existing aircraft types this includes removing of the limitations based on aeroplane structure. This limitations is transferred to included subcategories like A1, A2, A3, A4
Developed individual limitations	No privileges to certify maintenance task on systems, components, powerplant, structure or other aircraft elements as identified in the license. This limitations is transferred to included subcategories like A1, A2, A3, A4

Limitations based on aircraft construction / Konstrukcija letalstva
 Generic limitations (According 66.A.70(d)) / Bendrini omejitvi (66.A.70(d))
 Individual limitations / Individualne omejitvi

Limitations can be used when the person has or has not technical education
Based on demonstration of maintenance experience
Based on demonstration of maintenance experience
Based on demonstration of maintenance experience
Based on demonstration of maintenance experience
Based on examinations on information from individual conversion reports
Based on examinations on information from individual conversion reports
Based on examinations on information from individual conversion reports

* - This limitations are not transferred to B1.1, B1.2, B1.3 & B1.4 converted actual licenses as described in conversion report PR-AIR-009 2.1.41, but this exceptions are not transferred to additional category or subcategory, and there for the missing knowledge should be demonstrated
