Report an Occurrence

Help play your part in making flying safer. Report your occurrence to your competent National Aviation Authority here.

What is ECCAIRS 2?

ECCAIRS 2 is a digital platform established to assist aviation stakeholders in collecting, sharing, and analyzing their safety aviation information. ECCAIRS stands for the European Coordination Centre for Accident and Incident Reporting Systems.

Why reporting is important?

Safety Reporting plays an essential role in accident prevention enabling the identification of appropriate remedial actions through the prompt analysis of safety data.
